

## **NATIONAL EXPERT SECONDED TO EMSA**

### **PROJECT OFFICER FOR INTEGRATED MARITIME DATA Ref. n°: EMSA/SNE/2012/08**

The European Parliament and Council Regulation (EC) No 1406/2002<sup>1</sup> provides the legal basis for the establishment of the European Maritime Safety Agency (EMSA).

The goal of the Agency is to provide technical and scientific assistance to the European Commission and Member States on matters relating to the proper implementation of European Union legislation on maritime safety and pollution by ships. To do this, one of EMSA's tasks is to improve cooperation between Member States in all key areas. This includes undertaking a range of actions aimed at improving maritime safety.

In addition to its initial safety and pollution related work, in April 2004, EMSA was also given additional tasks by the European Council and the European Parliament related to oil pollution response, ship security and training of seafarers.

EMSA invites you to send your application for a Seconded National Expert as Project Officer for Integrated Maritime Data. This position will be attached to Department C 'Operations', Unit C.3 'Satellite Based Monitoring Services'.

More information about the Agency and its structure and activities can be found on our website: <http://www.emsa.europa.eu>
