

An Insight inside Publishing Science

Catania, 28-29 April 2008

The conferences will be held in the Auditorium of "Casa della Cultura" Villa Citelli ,via F.Battiato 1,Catania

Science publisher Elsevier feels that it is important to inform the academic community about the scholarly communication process, to explain the rules within scientific publishing as well as to provide hands on support in writing and/or reviewing a scientific paper.

*With the “Università di Catania”, Elsevier is pleased to invite you to the workshop ‘**An Insight into Science Publishing**’ which is to be held on 28 and 29 April 2008 in Catania, Auditorum Casa della Cultura Villa Citelli. Elsevier publisher Dr. James Milne and Professor Salvatore Guccione invite you to join them at presentations of various modules that meet the need for information of local scientists.*
