ICT4EE: High Level Event on ICT for Energy Efficiency, Bruxelles 19-20 Marzo 2009

Aprè segnala un importante evento nel settore ICT for Energy Efficiency organizzato dalla Commissione Europea a Bruxelles il prossimo 19-20 Marzo 2009.

The Information Society and Media DG of the European Commission, is delighted to inform you that a High Level Event on Information and Communication Technologies for Energy Efficiency (ICT4EE) will be held in Brussels on 19th and 20th March 2009.

This event aims to accord visibility to the potential of ICT in enabling energy efficiency across the economy and in particular it will show how ICT-based innovations may provide one of the potentially most cost-effective means to achieve the 2020 energy and climate targets.

Please visit the event website for further details: <http://ec.europa.eu/ict4ee>
