01 dicembre 2017

EUROPEAN REGIONS FOR BETTER ICT CONNECTIONS, Torino Aprile 2-3, 2009

qui di seguito un importante evento nel tema ICT organizzato dalla CE.

The European Commission, in cooperation with the B3 Regions project and the Piedmont Region, have the pleasure to invite you to the Conference EUROPEAN REGIONS FOR BETTER ICT CONNECTIONS, April 2-3, 2009 Turin, Italy-Lingotto Conference Centre

The event is the first of a set of actions aimed at opening a wide consultation on issues surrounding the development of the EU broadband strategy and the way this will fit into the future EU ICT policy framework after the current I2010 initiative.

Main issues: B3 Regions project activities and results (April 2); Broadband and the EU action in the Recovery plan (April 3).

Speakers: Officials from relevant Directorates General of the European Commission, European telecommunications operators, national and regional authorities in charge of broadband deployment, and other relevant actors.

Attendance to the conference is free.

Please register at: <http://www.regione.piemonte.it/innovazione/regions4ict.html> (registration required).
