For information and dissemination:

HERA Joint Research Programme (HERA JRP)  
CALL IS NOW OPEN: DEADLINE 7 APRIL 2009, 14:00 CET

The HERA Joint Research Programme (HERA JRP) partners have launched a joint call for trans-national Collaborative Research Projects (CRPs) in two humanities research areas: "Cultural Dynamics: Inheritance and Identity" and "Humanities as a Source of Creativity and Innovation". By launching the first HERA JRP call for proposals, 13 national funding partners want to create collaborative, trans-national research opportunities that will derive new insights from humanities research in order to address major social, cultural, and political challenges facing Europe. In consultation with their national researcher communities, they have jointly defined and developed common research priorities, and created a new trans-national funding mechanism.

The beneficiaries of this Call are eligible scholars located in Austria, Croatia, Denmark, Estonia, Finland, Iceland, Ireland, Luxembourg, Netherlands, Norway, Slovenia, Sweden and United Kingdom, irrespective of their nationality. Successful proposals will require the building of consortia of three or more partners based in three or more different HERA JRP countries. The total amount of funding available for both HERA JRP themes is 12,4 - 16,4 M€.
