Open positions for grantholders/trainees at the JRC Institutes: Deadlines in February, March, April, May, June

We would like to draw your attention to the existing calls for grantholders (PhDs or senior scientists), Secoded National Experts, as well as trainees at the different JRC Institutes.

Currently there are the following positions:

- Institute for Environment and Sustainability, IES
23 positions (2 SNE, 21 trainees)

- Institute for the Protection and the Security of the Citizen, IPSC 21 positions (20 grantholders, 1 trainee)

- Institute for Health and Consumer Protection, IHCP
ongoing open call for trainees

- Institute for Reference Materials and Measurements, IRMM 17 positions (all grantholders)

- Institute for Transuranium Elements, ITU
7 positions (5 fellows, 2 trainees)

- Institute for Prospective and Technological Studies, IPTS 4 positions (all grantholders)

All the positions are published on the JRC website (<http://ec.europa.eu/dgs/jrc/index.cfm?id=3720&lang=en>).

The deadlines for application are different (in February, March, April, May, June) but some of them are closing shortly.

Please find below (LINK AT THE END OF THE E-MAIL) more information about the exact positions, areas of research and institutes.

Cordiali saluti
