Presentazione bando COLIPA, tema SALUTE

in seguito all'info day sul bando COLIPA (quarto bando SALUTE), che si è svolto a Bruxelles il 16 Novembre scorso, inoltriamo la presentazione della Commissione che è stata utilizzata all'evento.

Di seguito riportiamo una comunicazione da parte dell'Unità F, DG Ricerca

FP7-HEALTH-2010-Alternative-Testing: What is in for you !

The FP7 Call for Proposals on Alternative Testing Strategies "FP7-HEALTH-2010-Alternative-Testing" foresees a budget of EUR 25 million of EU funding for 7 topics (6 IPs and 1 CA) while COLIPA (The Cosmetics Industry Association) has announced its commitment to provide additional funding of up to EUR 25 million, equal to the contribution of the EC (see COLIPA website www.colipa.eu).

Call deadline is 3 February 2010.

Some Key points

Eligible costs will be funded up to 100%: 50% EU funding and 50% COLIPA funding for all cost categories!

For each of the topics, the minimum and maximum amounts mentioned on the call fiche only relate to the EC contribution.

FP 7 rules apply for proposal submission, evaluation, GA negotiation and reporting.

Negotiation will take place only between the Commission and the project partners on the basis of the evaluation outcome.

FP7 Grant Agreement and COLIPA stand-alone research agreement (No further negotiation

with Colipa).

With regard to IPR, exclusively FP7 rules apply.

No major additional obligations for project reporting: Same report to EC and to COLIPA.

For further information on the COLIPA funding modalities see the presentation on the COLIPA website at <http://www.colipa.eu/news.html?id=30&page=new>,

for specific questions and to find partners for the project we encourage you to make use of the COLIPA forum at <http://www.colipaforum.eu/>
