'EMUNI label' master study programmes 2009/10

Dear Partners of EMUNI University,

On behalf of Prof. Dr. Joseph Mifsud, President of EMUNI University, we are informing you that in the academic year 2009/10, 2 master study programmes will be carried out as 'EMUNI label' programmes: MA in Environment and Joint Master in Migration and Intercultural Relations. The programmes will be delivered by the University of Nova Gorica and EMUNI partner universities.

Both study programmes last 2 years and consist of 120 ECTS credits. The programmes will be delivered in English language. In the frame of the programmes offered, the students will be able to select the module Euro-Mediterranean Studies.

In order to increase mobility of students, EMUNI University and EMUNI Foundation offer some grants for tuition fees, accommodation and travel costs.

You are kindly asked to inform outstanding students from your institution, who completed bachelor programme, to apply. Students need to send the application form with obligatory enclosures to the University of Nova Gorica (<http://www.ung.si/en/>) by 30 September 2009. The enrolment is possible by 15 October 2009. Descriptions of the programmes including application forms are available on <http://www.emuni.si/en/strani/31/Education.html>

With kind regards,

Anica NOVAK, Projects - Education
