# Asia-Europe Scientific Cooperation Day

01 dicembre 2017

---

Oggetto: Asia-Europe Scientific Cooperation Day, Vienna 24.10.2007

Dear Sir / Madam,

We cordially invite you to participate in the:  
Asia-Europe Scientific Cooperation Day

The event will take place on 24th October 2007 at the University of Natural Resources and Applied Life Sciences (BOKU) in Vienna and will cover the interdisciplinary sciences of environment, food, agriculture, biotechnology and information technology.

The latest news from FP7 and TEMPUS for the 2008 deadlines will be presented by EC and/or Austrian National Contact Point Experts, followed by successful examples of Asia-European scientific cooperation.

Finally, partnering meetings will take place in the afternoon for allowing participants to discuss their research interests and project ideas as a first step to building an Asian - European consortium.

For more information please go to

<http://www.matchmaking.at/asia-eu-coop/> for details and registration.

Participation is free of charge.

This is joint event organised by the FP6 INCO Project NISMIST (coordinated by the BOKU) and RTD Services.

If you have any questions, please contact:
