International Information Day & Brokerage Event for the 2nd Call Space in FP7

Si segnala il seguente evento relativo al tema Spazio che avrà luogo a Praga il prossimo 9-10 settembre:

An 'International Infoday on the 2nd Call Space in the EU Framework Programme 7' will take place in Prague, Czech Republic, on 9 and 10 September.

The National Contact Points (NCPs) for the FP7 theme on Space research from the Czech Republic, Germany, Turkey, Bulgaria, France, Ireland, Israel, Poland, Slovakia, Slovenia, Spain, Sweden and the Netherlands join forces in order to organise this event and provide information about the call contents. In addition, it is intended as a platform for potential project partners to meet and to promote the initiation of proposals.

After an evening reception on 9 September, the second day of the event will start with a common information session supported by the European Commission. The call contents will be presented as well as legal aspects. In the afternoon, two parallel sessions will give insights into the Global Monitoring for Environment and Security (GMES) part of the call and the Space foundations part.
