Minia International Conference for Agriculture and Irrigation in the Nile Basin

Countries,

21-23 March 2011, El-Minia, Egypt, 2011

Minia International Conference for Agriculture and Irrigation in the Nile Basin Countries, 21-23 March 2011, El-Minia, Egypt, 2011

Based on the willingness of dozens of research fellows and scientists in the Nile Basin countries, in Africa, and all countries of the world, as well as the cause of the holiday season and holidays (Happy New Year) – the conference organizing committee decided to extend the period of receiving the abstracts, till the 10th January 2011. Up to now more than three hundreds participants from thirty countries, representing five different continents were applied to attained this conference.

Although we focus on Nile Basin Agriculture and Irrigation, all papers from major Agriculture and Irrigation fields - theoretical or empirical - are highly encouraged. We welcome all contributions from all over the world, provided that address the problems and conditions of the Nile basin or similar conditions and match the themes of the conference and the specific topics.

Abstract submission deadline 10th January, 2011

Submit your abstract online

Abstracts are invited for oral and poster presentations on all Agriculture and Irrigation topics. Please submit abstracts using the Online Submission Form according to the abstract preparation guidelines.
