Dear co-founders,

Galilee College from Israel sent EMUNI the offer for tuition scholarships for the Summer programmes "Political Sciences & Middle East Studies" and "A Religious Mosaic in the Holy Land", organised by Galilee College, co-founder of EMUNI University. There are still some tuition scholarships (two) available for the students, interested in the programmes.

All the information are in the attachments and on the web-site:

If You are interested, please apply to the Galilee College directly, with a note to EMUNI that You applied (tina.jazbec@emuni.si)

If there will be more applicants than scholarships, the selections will be made jointly by Galilee College and the President of EMUNI University.

I kindly ask You to distribute this message to all potential applicants.

With kind regards,

Tina JAZBEC, Projects - Research & Conferences
