'EMUNI label' master study programme Environment -extended deadline

Dear Partners of EMUNI University,

We are kindly informing you that the deadline to submit the application for enrolment into the 2

nd Bologna Cycle Programme 'Environment' has been extended. Students need to send application with obligatory enclosures to the University of Nova Gorica, Studentska pisarna Vipavska 13, p.p. 301, 5001 Nova Gorica, Slovenia by 10 October 2009.

The master programme will be delivered by the University of Nova Gorica and EMUNI partner universities as 'EMUNI label' programme. The programme lasts 2 years and consists of 120 ECTS credits. The programme will be delivered in English language. In the frame of the programme offered, the students will be able to select the module Euro-Mediterranean Studies.

In order to increase mobility of students, EMUNI University offers some grants for tuition fee, accommodation and travel costs.

Detailed description of the programme including application forms are available through <http://www.emuni.si/en/strani/340/2009.html>

With kind regards,
