PARTNER SEARCH ENVIRONMENT ENV-EU-SMCP-4

Richiesta di un istituto inglese alla ricerca di partner italiani da includere in un loro progetto da presentare nel programma COOPERATION tematica AMBIENTE.

----- PARTNER SEARCH ENV-EU-SMCP-4 -----

<Reference n.: ENV-EU-SMCP-4>

<Deadline: 25/02/2008>

<Programme: Ambiente e cambiamento climatico>

<Project Title: Quantification of changing surface UV radiation levels and its impact on human health>

<Financial Scheme: Progetti in collaborazione - Small or Medium>

<Description: Call info - Environment including climate change

Activity

FP7.ENV.2008-1.2.1.5

The focus of the proposed consortium will be on personal UVR dosimetry and measured biological outcome in different human populations. We seek a partner with expertise on radiative transfer models, climate models and prediction of future UVR levels. >

<Organisation Type: Altro>

<Partner Sought: Expertise in the below FP7 area UV radiative transfer and climate models>
