
ICT Brokerage 2009: Brno (CZ) 29-30 April 2009

01 dicembre 2017

ICT Brokerage 2009: Brno (CZ) 29-30 April 2009

qui di seguito alcune informazioni circa un Brokerage event organizzato dalla Commissione Europea.

ICT Brokerage 2009 aims to foster scientific and industrial cooperation in the ICT sector in the Central European region and greater involvement of the New Member States in the 7th Framework Programme ICT-Theme.

The main focus is on topics specified by the 5th and 6th calls of the ICT Work Programme 2009-2010.

ICT Brokerage 2009 is one of the official events of Czech Presidency and accompanying event of the conference Research Connection 2009.

The event is jointly organised by Masaryk University, Brno University of Technology, South Moravian Innovation Centre, Regional Chamber of Commerce Brno, Transport Research Centre and FIRST Innovation Park, in collaboration with the European Commission, DG INFSO.

European academia and industry are cordially invited to the ICT Brokerage taking place in Brno, Czech Republic 29-30 April 2009.

More information and registration are available at www.ict-brokerage.cz
