International Conference EURO-TRANS Days (MADRID, 27-28 March 2008)

We are pleased to invite you the Euro-Trans Days International Conference to be held on March 27th and 28th. PLEASE NOTE THAT the Conference, originally planned in Paris, has been later moved to MADRID, due to logistics reasons.

The aim of this working conference is to reinforce the international cooperation between SMEs and the major European R&D players and Industrial Stakeholders of Surface Transport (road, rail, waterborne and intermodality).

The event will focus on European R&D projects and networks to be submitted in the 2nd call of "Sustainable Surface Transport" sub-theme - 7th Framework Programme (SST-RTD-2008-1, SST-TREN-2008-1, TPT-RTD-2008-1).

The following services will be also available:

- Possibilities to present posters during the event (3 to 5 minutes): if you intend to present a poster, please contact directly consultores@citsl.e.telefonica.net before 14th March 2008.
- Meetings with EC or National Contact Points representatives attending or Eurotrans Days partners may be available on request by mail to consultores@citsl.e.telefonica.net before 14th March 2008.

More information about the programme and the registration modalities are available at the following links: www.euro-trans.info
