ICREPO'10

Dear Colleague,

The Steering Committee and the Local Organising Committee are glad to invite you to the next International Conference on Renewable Energies and Power Quality (ICREPO'10), which will be held in Granada (Spain) from 23 to 25 of March, 2010.

DEADLINE. Submissions due: October 30, 2009.

Web site: <http://www.icrepq.com>

The ICREPO is an International Conference where specialists of industrial and academic world can discuss together in a pleasant location about recent developments and actual trends in the field of Renewable Energies and Power Quality. Within these areas, ICREPO'10 has the aim to identify the most relevant applications evidencing main problems and strategies.

We strongly encourage you to submit papers to the ICREPO'10 conference. If your colleagues are interested in submitting a paper, please forward them this information. If you have any further questions, please do not hesitate to contact with us.

Thank for your interest and I hope forward seeing you in Granada.

Sincerely,
Manuel Pérez Donsión

Chairman of the Steering Committee
