
Metal Conservation Workshop

01 dicembre 2017

Metal Conservation Workshop, Turin 16 September 2008

It's a great pleasure for APRE to invite you to submit your abstract to the "Metal Conservation Workshop" an international event organised by Politecnico di Torino in the frame of the MEDAL project "Mediterranean Conservation Alliance" (FP6 - INCO-SSA) as a satellite event of the 2nd EuCheMS Chemistry Congress.

You will find the brochure with info and details in attachment (http://www.apre.it/attach/Metal%20conservation%20workshop_rev0.doc)
The workshop will be held in Torino on 16th September 2008.

Registration and abstract submission is available on the workshop website :
<http://www.euchems-torino2008.it/site/se2.asp>

The dead-line for the abstract submission is May, 15th 2008.
